Catching the Spotlight

Another great week of fishing. Lakes 4 and 6 were stocked with trout on Friday and that's where most of the action was. Kiwanis held their annual junior fishing derby on Saturday. Kids lined up on the bank of Lake 4 for their shot to win a prize and trophy. Aaron Bauman (pictured left) was also fishing on Lake 4 on Saturday. He caught a nice 5.2 lbs. trout on a night crawler. Matt Rayburn (pictured right) also had good luck fishing on Lake 4. He caught this beautiful 5.8 lbs. trout on Powerbait.

The next stock will be on December 16th. However, don't forget about Lakes 2 and 3 until then. There are still a few tagged fish unaccounted for in these lakes.

Our Santa at the Lakes event will be on Saturday 11th from 11:00AM to 4:00PM. Bring the family out for food, games, rides, and snow!

Lake Lowdown

Water Temp.: 55.5° F
Water Clarity: Murky

The water temperatures have been steadily dropping over the last few week. This is good for the trout bite but will slow down the bite for the other species in the lakes. A lot of trout were caught on nightcrawlers this week but a few were also caught on mini jigs.
